Notice by direct mail or e-mail is appropriate in this case for the members of the Settlement Class. Summary Notice to all members of the Settlement Class. For each member of the Settlement Class for whom an e-mail address is listed on the Class Member List, Notice will be sent by e-mail. For each person on the Class Member List for whom no e-mail address is provided, or for whom an e-mailed Notice is returned as undeliverable, Notice will be sent by U.S. mail using the addresses provided on the Class Member List, as updated through the United States Postal Service's National Change of Address database. If any mailed Notice is returned as undeliverable with a forwarding address the Settlement Administrator must forward the Notice by mail to the listed forwarding address within a reasonable time after receipt of the returned Notice. If any mailed Notice is returned as undeliverable without a forwarding address the Settlement Administrator must attempt to locate the correct address through a reasonable search and must forward the Notice to the address obtained from the search, if any, within a reasonable time.

3.3. Opting Out of the Settlement.

Any member of the Settlement Class who mails a written request to be excluded from the Settlement Class to the Settlement Administrator, postmarked no later than the Exclusion Deadline, will be excluded from the Settlement Class and will not be a Class Member. The request for exclusion must (i) refer to the "Indiana Auto Doc Fees Settlement;" (ii) state the person's name, address, and telephone number; (iii) request exclusion from the settlement; (iv) be signed by the person requesting exclusion; and (v) be sent to the Settlement Administrator by U.S. mail with a postmark on or before the Exclusion Deadline. In joint customer transactions, if either party opts out both customers shall be excluded from the

Settlement Class. No later than the Exclusion Reporting Deadline, the Settlement Administrator must prepare a list of names for those persons who have timely chosen to exclude themselves (“Exclusion List”) and forward a copy of the Exclusion List to Class Counsel, who must promptly file the list of excluded Class Members with the Court.

Class Members, or their counsel, who wish to appear in person or by counsel at the Final Approval Hearing must file with the Court and serve on

Class Counsel and Settling Defendants' Counsel at least fifteen (15) days before the Final Approval Hearing a notice of their intent to appear.

3.5. Final Approval of the Settlement.

Prior to the Final Approval Hearing, Class Counsel must move the Court to enter the Final Approval Order consistent with the terms of the Settlement.

Settling Defendants shall not oppose that motion.

4. BENEFIT TO CLASS MEMBERS

4.1. Cash Settlement Fund.

Settling Defendants must pay the Settlement Fund into the Escrow Account no later than the Settlement Funding Deadline. The Settlement Fund shall be held by the Settlement Administrator in the Escrow Account for the benefit of the Class Members to provide for the payments set forth in this Settlement, subject to Court approval.

4.1.1. Formula for Distribution to Class Members.

Class Members' distributions from the Net Settlement Fund will be determined on a pro rata basis, based on the amount of Automobile Document Preparation Fees paid by Class Members according to the Class Member List after excluding Class Members who have timely chosen to exclude themselves from the Settlement Class, which will be established by the Settlement Administrator based on the transaction data provided by Settling Defendants. The following formula will determine each Class Member's distribution:

Class Member's Pro Rata %

$$= \frac{\text{Automobile Document Preparation Fees Paid by That Class Member}}{\text{Total Automobile Document Preparation Fees Paid by All Class Members}}$$

Class Member's Distribution = Class Member's Pro Rata % × Net Settlement Fund

4.1.2. Direct Distribution to Class Members—No Claims Process.

No later than the Distribution Calculation Deadline, the Settlement Administrator must provide to Class Counsel and Settling Defendants' Counsel a redacted listing of the distribution amount due from the Net Settlement Fund to each Class Member. The parties acknowledge that this distribution information contains confidential information that shall be redacted and such information (names, addresses and emails) shall not be disseminated to Class Counsel except as agreed by the parties or ordered by the Court. The Settlement Administrator must treat the information as confidential, and that this information will only be used for the purpose of carrying out this Settlement and will be deleted within 180 days after the distribution of Net Settlement Fund is complete.

4.1.2.1. Distribution to Class Members.

No later than the Distribution Deadline, the Settlement Administrator will issue payments to Class Members from the Settlement Fund in the amounts provided by this Settlement. If any payment is returned undeliverable, the Settlement Administrator must make a reasonable attempt to locate an updated address to send the payment. The Settlement Administrator must also process requests for reissuance of checks. Checks shall be valid for 180 days from the Distribution Deadline.

4.1.3. Distribution of Unclaimed Funds.

Any funds remaining in the Escrow Account resulting from unclaimed settlement funds ten (10) days after the expiration of the last checks mailed by the Settlement Administrator will be delivered by the Settlement Administrator to the Indiana Unclaimed Property Fund, and shall be allocated and remitted to the Indiana Unclaimed Property Fund in the name of each Class Member who has not received any Class Member Distribution or Distributions owed to that Class Member (including where a Distribution check was mailed but not cashed before expiration), and in the amount of the Class Member Distribution or Distributions owed to that Class Member.

4.1.4. No Reversion to Settling Defendants.

In no event will any portion of the Settlement Fund revert to Settling Defendants, except that, if the Effective Date fails to occur (because, for example, final approval is denied or if any Settling Defendant timely exercises its right to withdraw from the Settlement under Section 3.3), then Settling Defendants shall have the right to immediate return of the monies then remaining in the Settlement Fund, less the costs of notice and administration already incurred.

4.2. Payment of Costs of Notice and Settlement Administration.

The costs of providing notice and settlement administration will be paid from the Settlement Fund. In no event may Settling Defendants recoup the costs of notice and settlement administration, including in the event that this Settlement is not granted final approval or final approval is reversed on appeal.

5. RELEASES AND TERMINATION OF THE SETTling CONSOLIDATED CASES

5.1. Release of Settling Defendants.

Upon the Effective Date, the Class Representatives and the Class Members (collectively, “Releasing Parties”), and each of their respective co-buyers, co-leasees, executors, representatives, heirs, predecessors, successors, bankruptcy trustees, guardians, wards, agents and assigns, and all those who claim through them or who assert claims on their behalf, fully and irrevocably release and forever discharge the Settling Defendants and each of their present and former parents, subsidiaries, divisions, affiliates, predecessors, successors and assigns, and the present and former officers, directors, employees, insurers, shareholders, attorneys, advisors, consultants, representatives, partners, joint venturers, independent contractors, predecessors, successors, agents and assigns of each of them (collectively, “Released Parties”), from all claims, rights, demands, charges, complaints, actions, damages, causes of action, obligations, liabilities, or suits for any type of relief, including, without limitation, actual, statutory, or punitive damages, restitution or other monetary relief of any and every kind, and all claims for declaratory or injunctive relief, and including, without limitation, those based on any federal, state, or local law, statute, regulation, or common law, whether known or unknown, suspected or unsuspected, raised or that could have been raised in the Settling Consolidated Cases related to Automobile Document Preparation Fees paid by Settlement Class members to Settling Defendants.

5.2. Termination of the Settling Consolidated Cases.

Each of the Settling Consolidated Cases will be dismissed by the entry of the Final Approval Order, which will provide for the entering a final judgment approving this Settlement and the dismissal of all of the Class Members' claims with prejudice, and the dismissal of all other claims in each of the Settling Consolidated Cases without prejudice.

6. NO ADMISSION OF LIABILITY

Settling Defendants are entering into this Settlement and agreeing to the form and content of the related documents solely to compromise and settle the claims brought in each of the Settling Consolidated Cases and to avoid the expense and uncertainty of continued litigation in each of the Settling Consolidated Cases. This Settlement and any of the related documents shall never be construed as an admission of liability or any type of wrongdoing or misconduct or of any fault or fact whatsoever, and Settling Defendants expressly deny any wrongdoing, misconduct, or liability in any of the Settling Consolidated Cases.

The Class Representatives are entering into this Settlement and agreeing to the form and content of the related documents to avoid the expense and uncertainty of continued litigation in each of the Settling Consolidated Cases. Neither this Settlement nor any of the related documents can ever be construed as an admission that any of the claims lack merit or that any valid defense to the claims exists, or that the Class Representatives and Settlement Class Members would not prevail on the merits of the claims in any of the Settling Consolidated Cases.

7. ATTORNEYS' FEES AND EXPENSES AND CLASS REPRESENTATIVE SERVICE AWARDS.

7.1. Attorneys' Fees and Expenses

Settling Defendants and their counsel will take no position on any request by Class Counsel to the Court to be paid attorneys' fees and expenses from the Settlement Fund. Any fees, costs, or expenses approved by the Court must be awarded and payable out of the Settlement Fund and shall be distributed to Class Counsel no later than three (3) days after the Effective Date.

7.2. Class Representative Awards

Settling Defendants and their counsel will take no position on any request for the Class Representatives to be paid a Class Representative service award from the Settlement Fund. Any Class Representative service award must be approved by the Court and must be awarded and payable out of the Settlement Fund and shall be distributed to the Class Representatives no later than three (3) days after the Effective Date.

8. MISCELLANEOUS

8.1. Best Efforts to Effectuate Agreement

The Class Representatives, Class Counsel, Settling Defendants, and Settling Defendants' Counsel agree to undertake good faith efforts to effectuate this Settlement, including: (i) all steps that may be appropriate or necessary to secure the Court's preliminary and final approvals and entry of the Preliminary Approval Order and the Final Approval Order; and (ii) all steps that may be appropriate or necessary to oppose any challenges to or appeals from the Court's orders approving

the Settlement. However, Settling Defendants and their Settling Defendant's Counsel will only be obligated to either join in or not object to Class Counsel's arguments made in any opposition to a challenge or appeal.

8.2. Reservation of Rights if This Settlement Agreement Is Not Approved or Becomes Void.

If this Settlement is not approved by the Court, if and any Settling Defendant exercises the right to withdraw based on the number of Class Members who choose to exclude themselves, or if Plaintiffs exercise any right to withdraw, this Settlement then becomes null and void, and: (i) no act, statement, or filing in furtherance of this Settlement may be used to support or oppose the certification of any class in any of the Settling Consolidated Cases; (ii) all the parties to this Settlement shall be returned to the same position in each of the Settling Consolidated Cases that they were in on the day before the Execution Date; and (iii) Settling Defendants shall be entitled to object to certification of any class in any of the Settling Consolidated Cases.

8.3. Integration Clause.

This Settlement, and all exhibits to it, constitute the entire agreement between the parties, can be modified only in writing, and supersede any prior understandings, agreements, or representations by or between the parties, written or oral, to the extent they relate in any way to the subject matter of this Settlement. The Settlement is an integrated agreement, and no promise, inducement, or agreement separate from this Settlement has been made to the parties. The terms

of this Settlement, and all exhibits to it, are binding upon and inure to the benefit of each of the parties and their respective successors, heirs, and assigns.

8.4. Execution in Counterparts.

This Settlement may be executed in counterparts, and each counterpart, when executed, shall be deemed to be an original.

8.5. No Construction Against the Drafter.

Each party has participated in negotiating and drafting this Settlement through counsel, so if an ambiguity or question of intent or interpretation arises, this Settlement is to be construed as if the parties had drafted it jointly, as opposed to being construed against a party.

8.6. Publicity

Class Counsel will not issue a white paper, press release, internet post, text message, email, advertisement, or any similar communication or initiate any communications with the media concerning this Settlement or the Settling Consolidated Cases. Any statements to the media will be limited to a joint statement to be agreed upon separately by the parties.

8.7. Choice of Law, Forum, and Stipulation to Jurisdiction.

This Settlement, and all exhibits to it, shall be governed by the laws of the State of Indiana, and the parties stipulate that the Court has jurisdiction over them for purposes of administering, interpreting, and enforcing this Settlement. All proceedings relating to the administration, interpretation, and enforcement of this Settlement and related documents must be brought in the Court.

8.8. Headings Not Substantive.

The section headings and titles in this Settlement are for informational purposes only and may not be read or otherwise used to determine the intent of the parties.

8.9. Warranties Relating to Number of Transactions.

Settling Defendants warrant that the total number of Automobile Document Preparation Fees paid by the Settlement Class does not exceed 171,000.

8.10. Confirmatory Discovery.

Class Counsel may conduct confirmatory discovery, including by affidavit and/or a Trial Rule 30(B)(6) deposition of each Defendant in each of the Settling Consolidated Cases, limited to confirming the source, accuracy, and completeness of the data provided for purposes of mediation and the Settlement. If Settling Defendants fail to provide confirmatory discovery, or confirmatory discovery reveals that the total number of Automobile Document Preparation Fees paid by the Settlement Class exceed 171,000, Plaintiffs may withdraw from this Settlement by sending a written letter of withdrawal and the basis therefore to Settling Defendant's Counsel prior to the Notice Dissemination Deadline.
