1. I am a law enforcement officer with the Indiana State Police and have been so employed at all relevant times herein.
2. I am submitting this affidavit in the belief that Carl Roy Webb Boards II, DOB 04/19/1980 a black, male, 6-02, 285 lbs, brown hair, and brown eyes, committed the following offense: Murder, IC 35-42-1-1; possession of firearm by a serious violent felon, IC 35-47-4-5, and resisting law enforcement under IC 35-44.1-3-1
3. On Sunday, July 31, 2022 I was notified by Sgt. Scott Jarvis regarding a shooting incident involving an officer with the Elwood, Indiana Police Department. The following is a summary of the shooting incident involving Elwood, Indiana Police Officer Noah Shahnnavaz:
4. At approximately 2:07 AM Officer Noah Shahnnavaz, an officer with the Elwood Police Department, conducted a traffic stop on a white Buick Lacrosse (Indiana – In God We Trust CTS565) on State Road 37 (Southbound) near County Road 1000 North in Madison County, Indiana. As Officer Shahnnavaz initiated the traffic stop, he contacted Madison County Emergency Communications regarding his traffic stop. Officer Shahnnavaz transmitted, via radio, that he had conducted a traffic stop on a White Buick Lacrosse and provided an Indiana In God We Trust license plate number of CTS565. The last radio transmission received from Officer Shahnnavaz indicated that the driver of the white Buick Lacrosse “had a gun”. At that time, additional officers with the Elwood Police Department and Madison County Sheriff’s Department began responding to the location of Officer Shahnnavaz’s traffic

stop. Upon their arrival, responding officers located Officer Shahnnavaz, still located in his patrol vehicle, a fully marked Dodge Charger with emergency lighting still activated. Initial responding officers observed Officer Shahnnavaz suffering from multiple wounds consistent with gunshot wounds. Damage to the vehicle consistent with being caused by gunfire, as well as what appeared to be rifle casings lying in the road was also observed. No other vehicles were observed at the scene, upon additional officer's arrival, other than Officer Shahnnavaz's Dodge Charger patrol vehicle. Life saving measures were conducted on scene by responding law enforcement officers. Officer Shahnnavaz was transported by Emergency Medical Services personnel to Mercy Hospital in Elwood, and then transported by helicopter to St. Vincent Hospital in Indianapolis where he was pronounced deceased from his injuries. Information regarding the white Buick Lacrosse and the license plate number was dispatched to surrounding law enforcement agencies.

5. At approximately 2:25 AM Deputy Jared Wilcox (Hamilton County Sheriff's Department) was stationary in a church parking lot in that area of IN-37/186th Street (Hamilton County). Deputy Wilcox became aware of the officer down situation through a county wide dispatch made by the Hamilton County Emergency Communications Center. Dispatchers with the Hamilton County Emergency Communications Center advised units that a white Buick Lacrosse (Indiana – In God We Trust CTS565) was wanted in connection with the shooting incident involving Officer Shahnnavaz. At that time, Deputy Wilcox began traveling northbound on IN-37 in an attempt to locate the white Buick Lacrosse. While traveling northbound on IN-37, Deputy Wilcox observed a white Buick Lacrosse traveling southbound on IN-37 near 216th Street in Hamilton County. Deputy Jared Wilcox initiated a U-Turn to further investigate the white Buick. As Deputy Wilcox was behind the vehicle, which he estimated at traveling approximately 70 miles per hour in a posted 45 mile per hour speed zone, he observed the license plate to be consistent with the license plate of the white Buick Lacrosse involved in the shooting incident involving Officer Shahnnavaz. At that time, Deputy Wilcox contacted Hamilton County Communications indicating that he had located the suspect vehicle. Additional units began responding to Deputy Wilcox's location. After witnessing the suspect vehicle commit multiple traffic infractions, Deputy Wilcox activated his front and rear facing emergency lights on his fully marked patrol vehicle and attempted to initiate a traffic stop on the white Buick in the area of East Field Drive/IN-37. The driver of

the white Buick failed to stop and continued traveling. At that time, multiple units with the Hamilton County Sheriff's Department were also involved in the vehicle pursuit. During the pursuit, a Deputy with the Hamilton County Sheriff's Department deployed "Stop Sticks" (Tire Deflation Device) in the area of IN-37/141st Street. The vehicle's left front tire made contact with tire deflation device, eventually rendering the tire disabled. The vehicle continued to evade law enforcement, entering I-69 southbound from IN-37. At that time, multiple units with the Fishers Police Department were also involved in the vehicle pursuit. After multiple Precision Immobilization Techniques (PIT) by officers with the Fishers Police Department, the vehicle became stationary in the left lanes of I-69 near the 203.9 mile marker in Fishers, Hamilton County, Indiana.

6. The driver, later identified as Carl Roy Webb Boards II DOB: 04/19/1980, was taken into custody without incident. During the arrest of Boards, a handgun was located on his person. The silver and black Taurus 9mm handgun was removed from Boards's person and secured by the Fishers Police Department. A black rifle with a high-capacity magazine was observed on the driver seat of the vehicle. The firearm was observed, in plain view, from outside of the vehicle. The vehicle was secured for evidentiary purposes. Photos are below of the Buick Lacrosse and the firearm observed in the vehicle.

7. An interview was attempted with Carl Roy Webb Boards II at the Hamilton County Sheriff's Department by Lt. Jeffrey Hearon and Detective Matthew Beaver (Indiana State Police). The interview was audio recorded. Lt. Hearon advised Boards of his Miranda Rights and presented him an Advice of Rights – Interrogation Form. Boards did not wish to provide a statement.
8. F/Sgt. Leonard Langland (Indiana State Police Laboratory Division – Evidence Technician) traveled to St. Vincent Hospital in Indianapolis regarding the incident. F/Sgt. Langland observed gunshot wounds to Shahnnavaz's head and left arm. F/Sgt. Langland also observed stippling present on Shahnnavaz's body.
